PARTICIPATION AGREEMENT by and between the COMMUNITY DEVELOPMENT AND RENEWAL AGENCY OF HERRIMAN CITY and PARTICIPANT for the HERRIMAN INNOVATION DISTRICT PROJECT AREA

This Participation Agreement (the “Agreement”) is made and entered into as of this ___ day of March, 2020 (the “Effective Date”), by and among the COMMUNITY DEVELOPMENT AND RENEWAL AGENCY OF HERRIMAN CITY (the “Agency”), a political subdivision of the State of Utah operating under the Utah Community Reinvestment Agency Act (the “Act”; § 17C-1-101 et seq., or its predecessor statutes), and HERRIMAN INDUSTRIAL #1, an Idaho limited liability company qualified to do business in Utah (“Participant”). Participant and the Agency may from time to time hereinafter be referred to individually as a “Party” and collectively as the “Parties.”

1. SUBJECT OF AGREEMENT

1.1. Purpose of the Agreement

The purpose of this Participation Agreement (the “Agreement”) is to carry out in part the Project Area Plan (the “Plan”) for the Herriman Innovation District Community Reinvestment Project Area (the “Project Area”) by providing for reimbursements to entice Participant to develop a new leisure recreation product and equipment manufacturing facility in the Project Area (the “Facility”), and to specify the terms and conditions pursuant to which the Agency and Participant will cooperate in bringing about such development, including funds the Agency will provide to assist in Participant’s development of the Facility, which will benefit the entire Project Area.

1.2. Agreement in the Best Interests of the City and Residents

This Agreement is in the vital and best interests of the Herriman City, Utah (the “City”), and the health, safety and welfare of its residents, and in accord with public purposes. This Agreement is carried out pursuant to the Act.

1.3. The Project Area

The Project Area is located within the boundaries of the City. The exact boundaries of the Project Area are specifically and legally described in the Plan.

1.4. The Project Area Plan and Budget

This Agreement is subject to the provisions of the Plan, as adopted and ordained on June 26, 2019, by the Agency and the Herriman City Council (the “Council”) in accordance with the Act and is incorporated herein by this reference. This Agreement is also subject to the provisions of the project area budget (the “Budget”), as adopted by the Agency on June 26, 2019.
1.5. Interlocal Agreements

Subject to the terms of various interlocal agreements with other taxing entities (collectively, the “Interlocal Agreements”), the Agency is entitled to receive, for a period of up to 15 years, a portion of the tax increment generated by the development on the Site (the “Agency Share”). For clarity, the Agency Share consists of only those funds that are generated by taxes paid on development within the Site that are received by the Agency pursuant to the Interlocal Agreements; the Agency Share does not include any funds received by the Agency attributable taxes paid for any portion of the Project Area not within the Site.

1.6. Description of the Site

The Facility is constructed on property that is a portion of the Project Area consisting of approximately 38 acres (the “Site”).

1.7. Description of the Investment

Pursuant to the terms of this Agreement, Participant has developed and constructed the Facility. As part of that development and construction, Participant has constructed -the Midas Creek storm drain improvements, Rocky Mountain main line extension, Dominion Energy main line extension, and 11800 South improvements in an amount of $1,280,441 (collectively the “Investment”). A listing of the Investment is attached hereto as Exhibit “A.”

1.8. The Reimbursement

As used in this Agreement, the term “Reimbursement” means eighty seven and one tenth percent (87.1%) of the Agency Share. Participant acknowledges that the Agency shall use two and nine tenths percent (2.9%) of the Agency Share for application to Agency administrative and overhead costs relating (“Administrative Allocation”) and ten percent (10%) of the Agency Share for housing as required by the Act (the “Housing Allocation”).

1.10. Prohibition against Certain Changes

1.10.1. Acknowledgement by Participant

Participant acknowledges the importance of the development of the Project Area to the general welfare of the community, the public assistance set forth in this Agreement that has been made available by law and by the Agency for the purpose of making the Investment within the Project Area possible, that a significant change in the identity of Participant, as prohibited by this Section 1.9, may be considered, for practical purposes, a transfer or disposition of the Investment, the qualifications and identity of Participant are of particular concern to the Agency, and that it is because of such qualifications and identity that the Agency is entering into this Agreement with Participant.

1.10.2. Representation as to Investment Intent

Participant represents and agrees that its Investment in and use of the Site, and Participant’s other undertakings reflected in this Agreement are and shall only be for the purpose of Participant’s Investment in the Site and not for speculation in land holding or otherwise.
1.10.3. Assignment or Transfer of Agreement

Participant represents and agrees for itself and its successors and assigns that Participant will not assign or transfer or attempt to assign or transfer all or any part of this Agreement, or any rights herein or obligations hereunder, during the term of this Agreement except as explicitly allowed herein or as agreed to in a writing signed by the Parties. The Agency may only withhold its consent to such an assignment or transfer if such transfer or assignment would result in the economic development goals of the Agency and the Project area not being met.

The attempted or actual assignment or delegation of this Agreement in violation of the above provisions is a material Default that shall be subject to the provisions of Article 5 of this Agreement.

1.10.4. Transfer to Tax-Exempt Organization

Notwithstanding anything in this Agreement to the contrary, any attempt by Participant or its successor(s) in interest to transfer any of the real or personal property within the Site to a tax-exempt organization or otherwise to exempt any of the taxable property within the Site from ad valorem property taxation without the prior written consent of the Agency will entitle the Agency, at its sole discretion, to immediately and without prior notice terminate this Agreement and cease further payments under this Agreement to Participant or its successors or assigns.

1.10.5. Continuing Obligations

Any permitted assignment or transfer of this Agreement, in whole or in part, shall relieve Participant from any and all obligations under this Agreement; provided, however, that the assignee has accepted the assignment and assumed all duties, obligations and liabilities of Participant under this Agreement in writing. Except as otherwise provided herein, all of the terms, covenants, and conditions of this Agreement are and will remain binding upon Participant and its successors and assigns until the expiration or termination of this Agreement.

2. OBLIGATIONS OF THE PARTIES

2.1. Payment of Reimbursement

2.1.1. Payment Obligation

So long as Participant fulfills all of its obligations under this Agreement, the Agency will pay to Participant the Reimbursement.

The Agency expects to receive the full amount of the annual Agency Share approximately 120 days after the end of the calendar year for which property taxes were paid (e.g., the Agency will receive full payment of the Agency Share during the second quarter of 2022 for property taxes paid by Participant during 2021). After the end of the calendar year for which the Agency is collecting the Agency Share, the contemplated payment of the Reimbursement shall be made by the Agency within sixty (60) days after the date on which all of the conditions precedent as set forth in Section 2.3 have been met.
2.1.2. Triggering of Payments of Agency Share

The Agency shall have sole authority to begin, or "trigger," collection of the Agency Share pursuant to the Interlocal Agreements. Notwithstanding, Agency agrees to use reasonable efforts to timely begin the collection of the Agency Share.

2.2. Sole Source of Funding for the Reimbursement

The entirety of Participant's Reimbursement contemplated in this Agreement will be funded solely by the Agency Share payments received by the Agency pursuant to the Interlocal Agreements generated solely by the Site. Participant is not, and shall not be, entitled to any other funds collected by the Agency for the Project Area or any other funds held by the Agency.

2.3. Conditions Precedent to the Payment of the Reimbursement to Participant

In addition to other provisions in this Agreement, the Agency has no obligation to remit to Participant the Reimbursement unless and until all the following conditions precedent, as detailed in the following subsections, are satisfied:

2.3.1. Agency is Entitled to Receive the Agency Share

The Agency is not obligated to pay to Participant the Reimbursement unless the Agency is legally entitled to receive the Agency Share pursuant to the Interlocal Agreements.

2.3.2. Agency has Actually Received the Agency Share Payment

The Agency is obligated to pay to Participant the Reimbursement only to the extent the Agency has actually received the Agency Share payment(s) from Salt Lake County for the particular calendar year.

2.3.3. Continued Operation of the Facility

The Agency is not obligated to pay to Participant the Reimbursement unless Participant has continuously Operated (defined in Section 2.12) the Facility as described in Section 2.14 for the entire year for which payment of the Reimbursement is being sought or, in the case of the first year of such Operation, for the portion of the year after the date of the initial start of Operations of the Facility.

2.3.4. Payment of Taxes

Participant shall not receive any payments from the Agency for any period until the Agency has received documentation from Participant that all real and personal property taxes attributable to the Site and Facility have been paid for the particular year of the Reimbursement Term. Documentation contemplated by this Subsection 2.3.4. shall include copies of all forms or other documents sent to the Salt Lake County Assessor or the Utah State Tax Commission for the
purpose of reporting property owned by Participant within the Site. Such documentation shall be
provided to the Agency by March 31 of the year following the year for which the Reimbursement
is sought.

2.3.5. Request for Payment by Participant

The Agency is not obligated to pay the Reimbursement to Participant unless Participant has made
a Request for Payment in writing pursuant to Section 2.6 for the year for which payment of the
Reimbursement is being sought.

2.3.6. Minimum Investment Amounts

The Agency is not obligated to pay the Reimbursement to Participant unless Participant has
commenced Operating and met the requirements of Sections 2.7, 2.12, and 3.1 of this Agreement.

2.3.7. Infrastructure Development Costs

Reimbursement is available to the Participant only upon verification of actual costs incurred by
Participant for construction of the infrastructure improvements listed on Exhibit “A” that are
acceptable to the Agency.

2.4. Effect of Failure to Meet Conditions Precedent to Payment of
Reimbursement

In the event that the conditions precedent as described in Section 2.3 are not met for any given
calendar year during the term of this Agreement, and Participant is thus not entitled to receive the
Reimbursement attributable to that calendar year, but is otherwise not in default under this
Agreement, such failure shall not constitute a Default under this Agreement. Such failure shall
result in the forfeiture by Participant of the Reimbursement for that particular calendar year.

2.5. Limitations on Reimbursement

The Reimbursement shall not be paid for a period of greater than 15 years from the date for which
Participant first receives the Reimbursement (the “Reimbursement Term”). The Reimbursement
Term shall begin when the Agency triggers collection of the Agency Share as described in Section
2.1.2. The total amount of the Reimbursement paid to Participant pursuant to this Agreement shall
be limited to the amount of verified costs incurred by Participant. Notwithstanding the foregoing,
the total Reimbursement paid to Participant under this Agreement shall not exceed $1,280,441,
unless addition amounts are approved in writing by the Agency for reimbursement.

Participant further acknowledges that the Reimbursement paid by the Agency to Participant under
this Agreement is limited by the Reimbursement Term and the amount of Agency Share actually
received by the Agency. Participant further acknowledges that the Agency does not guarantee that
Participant will receive a minimum dollar amount during the Reimbursement Term. The amount
of Tax Increment generated by the Facility is determined by the taxable value of Participant’s
property within the Site as determined by the Salt Lake County Assessor and/or the Utah State Tax
Commission. The Agency does not guarantee a particular taxable value of the Facility and Site nor does the Agency control or influence such values.

Notwithstanding all other provisions in this Agreement, the Agency is not obligated to pay to Participant in any one calendar year more than Reimbursement attributable to the immediately preceding calendar year. The Reimbursement Term and the Reimbursement shall not be increased by any future extension of or modification to the Budget or the Interlocal Agreements; for purposes of clarification, if the Agency were to amend the Interlocal Agreements at some point in the future so that the Agency receives a greater percentage of Tax Increment from the Project Area or from a greater portion of the Project Area, the Agency shall not be obligated to pay to Participant any amount greater than Participant would have received under the terms of this Agreement and the Interlocal Agreements as effective as of the date of this Agreement.

The Agency shall not support any modification or amendment to the Interlocal Agreements that would reduce, on a percentage basis, the amount of Reimbursement that Participant is entitled to receive under this Agreement or the term during which Participant is entitled to receive the Reimbursement.

Reimbursement will be reduced by any funds paid to the Participant by the City, the Agency, or other entities that are attributable to the Investment (e.g. transportation impact fees waived or paid by the City to Participant will reduce the Reimbursement since they are attributable to 11800 South expansion). Any amount received by Participant attributable to the Rocky Mountain service extension or Dominion Energy main line extension shall be paid to Agency before Agency pays Participant any Reimbursement.

2.6. Request for Reimbursement

Participant shall submit in writing a request for payment to the Agency by March 31st of the year following the calendar year for which payment of the Reimbursement is sought. The Participant shall include in the request proof of payment of all ad valorem real and personal property taxes subject to and as described in Section 2.7 (the "Request for Payment"). Participant’s Request for Payment shall include written documentation of actual costs incurred for infrastructure development costs for which the Reimbursement is sought. Unless the Agency sends written notice to Participant of deficiency in the Request for Payment within thirty (30) days of receipt of a Request for Payment, such Request for Payment shall be deemed complete. Participant shall have a reasonable time not to exceed thirty (30) days in which to rectify any deficiencies specified in a notice, and the Request for Payment shall be deemed timely delivered in the event any such deficiencies are rectified within that period.

Notwithstanding the foregoing, nothing in this Agreement shall require the Agency to pay Reimbursement to Developer for non-qualified costs as determined by the Agency, in its sole discretion.
2.7. Payment of Taxes

During the term of this Agreement, to the extent applicable, Participant and any of its successors-in-interest in any portion of the Site or Facility agree to pay, prior to delinquency, all undisputed real property and other ad valorem taxes and assessments assessed against any portion of the Site or Facility or any other taxable property, including personal property, located within the Site to the extent owned by Participant or any of its successors-in-interest; provided, however, that Participant expressly retains any and all rights to: (a) challenge, object to, or appeal any real property or personal property and other ad valorem taxes and assessments; and (b) petition for the reduction thereof.

2.8. Reduction or Elimination of Reimbursement

The Parties agree that Participant assumes and accepts the risk of possible alteration of Federal or State statute, regulation, or adjudication rendering unlawful or impractical the collection, receipt, disbursement, or application of the Reimbursement to the Agency as contemplated in and by this Agreement. If the provisions of Utah law which govern the payment of the Reimbursement to the Agency are changed or amended so as to reduce or eliminate the amount paid to the Agency under the Interlocal Agreements, the Agency’s obligation to pay Participant annually the Reimbursement, as applicable, will be proportionately reduced or eliminated, but only to the extent necessary to comply with the changes in such law. Further, Participant agrees and acknowledges that it has made such investigations as necessary and assumes all risk as to whether the Project Area, the Plan, the Budget, and the Interlocal Agreements were properly approved, adopted and made effective. Notwithstanding any change in law, Participant specifically reserves and does not waive any right it may have to challenge, at Participant’s cost and expense, the constitutionality of any law change(s) that would reduce or eliminate the payment of Reimbursement to the Agency and/or Participant and nothing herein shall be construed as an estoppel, waiver or consent to reduce or eliminate payment of the Reimbursement to the Agency and/or Participant. Participant acknowledges, understands, and agrees that the Agency is under no obligation to challenge the validity, enforceability, or constitutionality of a change in law that reduces or eliminates the payment of Reimbursement to the Agency and/or Participant, or to otherwise indemnify or reimburse Participant for its actions to independently do so.

2.9. Declaration of Invalidity

In the event any legal action is filed in a court of competent jurisdiction that seeks to invalidate the Project Area or this Agreement or that otherwise seeks to or would have the possible result of reducing or eliminating the payment of the Reimbursement to the Agency, the Agency shall provide written notice of such legal action to Participant. In the event such an action is filed, the Agency shall have no obligation to challenge that action or defend itself against such action. If requested by Participant, the Agency may, at its sole discretion, take such actions as may be reasonably required to defend such legal action and to address the grounds for any causes of action that could result in the reduction or elimination of the payment of the Reimbursement to the Agency. Participant specifically reserves and does not waive any right it may have to intervene, at Participant’s cost and expense, in any such legal action and challenge the basis for any causes of action or any remedy sought that would reduce or eliminate the payment of the Reimbursement to the Agency and/or Participant, and nothing herein shall be construed as an estoppel, waiver or
consent to reduce or eliminate payment of the Reimbursement to the Agency and/or Participant. In the event that the court declares that the Agency cannot receive the Reimbursement, invalidates the Project Area or this Agreement, or takes any other action which eliminates or reduces the amount of Reimbursement paid to the Agency, and the grounds for the legal determination cannot reasonably be addressed by the Agency, the Agency’s obligation to annually pay to Participant the Reimbursement in accordance with this Agreement will be reduced or eliminated to the extent that the Agency Share is not received by the Agency.

2.10. **Dispute over Receipt of Payment of the Reimbursement**

If not due to the act, error or omission of the Agency, in the event a dispute arises as to the person or entity entitled to receive the Reimbursement under this Agreement due to a claimed assignment or claimed successor-in-interest to the Reimbursement or otherwise, the Agency may withhold payment of the Reimbursement and may refrain from taking any other action required of it by this Agreement until the dispute is resolved either by agreement or by a court of competent jurisdiction and sufficient evidence of such resolution is provided to the Agency. The Agency shall be entitled to deduct from its payment of the Reimbursement any costs or expenses, including reasonable attorney fees, incurred by the Agency due to the dispute, except in the instance that the dispute arises due to the act, error or omission of the Agency, in which case the Agency shall be responsible for all costs and expenses including reasonable and actual attorney fees.

2.11. **Nature of Participant’s Obligations and Limitation**

To qualify to receive the Reimbursement as set forth herein, Participant shall fulfill all of its obligations as set forth in this Agreement. The failure of Participant to fulfill its obligations may result in a failure to qualify to receive the Reimbursement or termination of this Agreement but shall not give rise to any other right or remedy in favor of the Agency.

2.12. **Operation of the Facility**

Participant shall utilize the Facility in a commercially reasonable manner and in accordance with industry standards. For purposes of this Agreement, “Operating”, “Operational” or “Operations” of the Facility shall mean when the following conditions are satisfied: (1) any required permits, licenses, or other approval have been obtained for Participant or the Participant’s tenant to occupy the Facility and (2) Participant or the Participant’s tenant shall have received a business license issued by the City. For purposes of this Section, Participant shall be deemed to have continuously operated the Facility if the foregoing standards are substantially met or exceeded, notwithstanding temporary cessation of Operations for inspection, maintenance, repair, replacement, line down-time, and/or events of force majeure or destruction.
2.13. Commencement of Operations

For purposes of this Section, the Facility shall be deemed Operational if the conditions and standards in Section 2.12 are met. If Participant fails to commence Operations of the Facility as required by this Section for any reason other than events of force majeure, the Agency shall have the right to terminate this Agreement upon written notice to Participant, subject, however, to any notice and cure periods set forth in Article 5.

Operations of the Facility as described in Section 2.12 shall be commenced as described in Section 2.13 and shall continue throughout the term of this Agreement as set forth in Article 4. For purposes of this Section, the Facility shall be considered to be in Operation if the Facility is Operating as described in Section 2.12 of this Agreement. If Participant ceases to operate the Facility for a continuous period of more than eighteen (18) months for any reason other than events of force majeure or destruction, the Agency shall have the right to terminate this Agreement upon written notice to Participant at any time during such cessation of Operations.

2.15. Funding Responsibility

The Parties understand and agree that funding for the Investment comes entirely from Participant’s internal capital or from financing obtained by Participant. The Agency shall not be liable or responsible for providing, obtaining, or guaranteeing such financing.

2.16. Potential Shortfall

Participant agrees and acknowledges that the only funds available to the Agency for compensation or reimbursements to Participant are those funds received by the Agency under the Interlocal Agreements from tax increment generated by the Investment by Participant within the Site and that the amount of Reimbursement paid to Participant under this Agreement is dependent on the taxable value of Participant’s taxable property within the Site or the taxes paid thereon.

2.17. Audits, Appeals, and Reassessments

As noted in Section 2.7, above, Participant may object to, challenge, or appeal any ad valorem property taxes that may be owed by Participant for property within the Site. However, in the event that such an action is pursued by Participant and is eventually successful in reducing the taxable valuation of Participant’s property within the Site, Participant shall immediately repay to the Agency the portion of the Reimbursement for that year proportionate to the reduction in taxable value. In the event that Participant does not timely make such payment to the Agency, the Agency may correspondingly reduce the Reimbursement paid to Participant for the next year of the Reimbursement Term. The Agency, at its sole discretion, may withhold payment of the Reimbursement for the final year of the Reimbursement Term until such date as Participant can no longer appeal or contest the assessed value of Participant’s property within the Site.

Likewise, if an audit, reassessment, or similar action by the Salt Lake County Assessor or the Utah State Tax Commission results in an increased valuation of Participant’s property within the Site,
the Agency shall pay additional Reimbursement for that year in proportion to the increase in taxable value of Participant’s personal property within the Site, subject to compliance with the terms of this Agreement.

3. ADDITIONAL TERMS

3.1. Investment

Participant will at all times be responsible for its Investment at the Facility. Recognizing the level of Investment by Participant, the Agency has determined that it is in the best interests of the residents of the City to provide the Reimbursement to Participant as a Reimbursement to develop the Facility on the Site and undertake the continued Operation and Investment requirements as contemplated in this Agreement.

3.2. Responsibility for Development Plans and Permits

The Agency shall not have any responsibility to obtain permits, licenses, or other approvals for Participant’s Operation of the Site.

3.3. Other Terms

3.3.1. City Land Use Authority

Participant acknowledges that nothing in this Agreement shall be deemed to supersede, waive, or replace the City’s authority over land use, zoning, and permitting within the City.

3.3.2. Restriction Against Parcel Splitting

If applicable, during the term of this Agreement, Participant shall not, without the prior written approval of the Agency, (a) convey its interest in the Site or any portion thereof, if any, in such a way that a parcel of real property would extend outside the Project Area, or (b) construct or install any building or structure within the Project Area in such a way that any portion of the Facility or structure would extend outside of the Project Area. Participant understands and acknowledges that these requirements are intended to avoid the splitting of any parcels of real property within the Project Area and to avoid the joining of any parcels of real property inside of the Project Area with parcel(s) outside of the Project Area in such a way that Salt Lake County could no longer identify the periphery of the Project Area by distinct parcels.

3.3.3. Deannexation

Participant agrees that it will not cooperate with any person, group, or municipality in any effort to remove, deannex, disconnect, or disincorporate the Site or any portion thereof from the City during the Reimbursement Term. In the event that the Site or a portion thereof is disconnected, deannexed, disincorporated, or otherwise removed from the municipal boundaries of the City, the Agency’s obligations to pay the Reimbursement for that portion of the Site outside of the City shall immediately cease.
3.3.4. Indemnification

Participant agrees to and shall indemnify, defend, and hold the Agency and its directors, officers, agents, employees, and representatives harmless from and against all liability, loss, damage, costs, or expenses (including reasonable attorney fees and court costs) arising from or as a result of the death of any person, or any accident, injury, loss, or damage whatsoever caused to any third party person or to the property of any third party person, directly or indirectly caused by any acts done or any errors or omissions of Participant or its directors, officers, agents, employees, consultants, and contractors on the Facility or the Site except for willful misconduct or negligent acts or omissions of the Agency, the City, or their respective directors, officers, agents, employees, contractors, and consultants. Likewise, the Agency agrees to and shall indemnify, defend, and hold Participant and its directors, officers, agents, employees, and representatives harmless from and against all liability, loss, damage, costs, or expenses (including reasonable attorneys’ fees and court costs) arising from or as a result of the death of any person, or any accident, injury, loss, or damage whatsoever caused to any third party person or to the property of any third party person, directly or indirectly caused by any acts done or any errors or omissions of the Agency, the City, or their respective directors, officers, agents, employees, contractors and consultants except for willful misconduct or negligent acts or omissions of Participant or its directors, officers, agents, employees, consultants, and contractors.

3.3.5. Limits on Liability

In no event shall one Party be liable to the other(s) for consequential, special, incidental, indirect, exemplary, or punitive damages of any kind (including, but not limited to, loss of profits, loss of reputation, or loss of current or prospective business advantage, even where such losses are characterized as direct damages) arising out of or in any way related to the relationship or dealings between Participant and the Agency, regardless of whether the claim under which damages are sought is based upon contract, tort, negligence (of any kind), willful misconduct, strict liability or otherwise, and regardless of whether the parties have been advised of the possibility of such damages at the time of contracting or otherwise.

3.3.6. Local, State, and Federal Laws

Participant shall make the Investment and utilize the Facility in conformity with all applicable laws; provided, however, that unless otherwise addressed elsewhere in this Agreement, nothing herein shall limit the right of Participant to properly challenge any such law or the applicability of such law.

3.3.7. Rights of Access

Representatives of the Agency shall have the right of reasonable access to the Facility for purposes of inspection, with reasonable and prior written notice (but in no event less than 48 hours prior), and without charges or fees, during normal business hours or as otherwise agreed to in writing by Participant, subject, however, to the rules, regulations, security protocols and other access limitations for safety and security purposes as required by Participant.
3.3.8. Responsibility of the Agency

The Agency shall not have any obligation under this Agreement other than those specifically provided for herein. Except as expressly provided for in this Agreement, nothing herein shall be construed as requiring the Agency to pre-approve or prejudge any matter, or as otherwise binding the Agency’s discretion or judgment on any issue prior to an appropriate hearing (if required), review, or compliance with any other requirement.

3.3.9. Non-waiver of Governmental Immunity

Nothing in this Agreement shall be construed as a waiver of any immunity, protection, or rights granted to the Agency under the Governmental Immunity Act of Utah, Utah Code 63G-7-101, et seq.

3.3.10. Agency and City Publicity

Throughout the term of this Agreement and notwithstanding any agreements to the contrary, the Agency shall have the right to freely use the following facts and information in Agency and City marketing, promotional, and publicity materials (together, “Promotional Materials”): (i) the presence of Participant’s operations in the City, (ii) the approximate square footage of the Facility, (iii) Participant’s approximate total Investment within the City, (iv) timing of Participant’s initial and subsequent investments within the City, (v) the details of the Reimbursement and the expected benefits to the City, (vi) the location of the Facility, and (vii) publicly-available information about Participant and its operations and history.

Except as specifically allowed in this Subsection 3.3.10, the Agency shall not disclose any nonpublic information about Participant or Participant’s operations within the Project Area as part of any Promotional Materials or press releases.

4. EFFECT AND DURATION OF COVENANTS; TERM OF AGREEMENT

The covenants, including but not limited to conformance with federal, local, and state laws, established in this Agreement shall, without regard to technical classification and designation, be binding on the Parties and any successors-in-interest for the benefit of each of the respective Parties, their successors and assigns during the term of this Agreement, which shall terminate upon the later of: (a) the final payment of the Reimbursement during or upon the expiration of the Reimbursement Term (i.e., year 1 through year 10) as set forth in Article 2 of this Agreement; or (b) upon the written agreement signed by the Parties hereto.

5. DEFAULTS, REMEDIES, AND TERMINATION

5.1. Default

If either the Agency or Participant fails to perform or delays performance of any material obligation of this Agreement and fails to cure as provided for in this Article 5, such conduct constitutes a default of this Agreement (“Default”). The Party in default must immediately
commence to cure, correct, or remedy such failure or delay and shall complete such cure, correction, or remedy within the periods provided in Section 5.3 hereof.

5.2. Notice

If a Default under this Agreement occurs, the non-defaulting Party shall give written notice (a "Default Notice") of the Default to the defaulting Party, specifying the nature of the Default. Failure or delay in giving such notice shall not constitute a waiver of any Default, nor shall it change the time of Default, nor shall it operate as a waiver of any rights or remedies of the non-defaulting Party; but the non-defaulting Party shall have no right to exercise any remedy hereunder without delivering the Default Notice as provided herein. Delays by either Party in asserting any of its rights and remedies shall not deprive the other Party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

5.3. Cure Period

The non-defaulting Party shall have no right to exercise a right or remedy hereunder unless the subject Default continues uncured for a period of thirty (30) days after delivery of the Default Notice with respect thereto, or, where the default is of a nature which cannot be cured within such thirty (30) day period, the defaulting Party fails to commence such cure within thirty (30) days and to diligently proceed to complete the same. A Default which can be cured by the payment of money is understood and agreed to be among the types of defaults which can be cured within thirty (30) days. If the Default is not cured, or commenced to be cured if such default is of a nature which cannot be cured within thirty (30) days, by such Party within thirty (30) days of delivery of the Default Notice, such failure to cure shall be an Event of Default, and the non-defaulting Party may pursue such other rights and remedies as it may have, except, however, if Participant fails to commence or continue Operations as required by Sections 2.12 and 2.13, above, then in such case Agency’s sole remedy shall be to terminate this Agreement (for clarity, Agency may not commence an action against Participant for specific performance to commence or continue Operations). Further, in the event of a Default by Participant, past all applicable cure periods, Agency’s sole remedy shall be to terminate this Agreement upon payment of any amounts that may be due from Participant to the Agency under this Agreement.

5.3.1. Rights and Remedies

Upon the occurrence of a Default (following the expiration of the applicable cure period provided herein or by law, whichever is longer), the non-defaulting Party shall have all remedies provided for in this Agreement and shall have the right to obtain specific performance, unless otherwise limited by the express remedies set forth in this Agreement. Such remedies are cumulative, and the exercise of one or more of such rights or remedies shall not preclude the exercise, at the same or different times, of any other rights or remedies for the same Default or any other Default by the defaulting Party.

Notwithstanding to foregoing, the Agency shall not have to right to compel, through a remedy of specific performance or otherwise, the Participant to make any investment within the Project Area or to Operate the Facility as contemplated by this Agreement.
5.3.2. Legal Actions

5.3.2.1. Venue

All legal actions between the Parties, arising under this Agreement, shall be conducted exclusively in the Third District Court for the State of Utah located in Salt Lake County, Utah, unless they involve a case with federal jurisdiction, in which case they shall be conducted exclusively in the Federal District Court for the District of Utah.

6.10. No Third-Party Beneficiaries

It is understood and agreed that this Agreement shall not create for either Party any independent duties, liabilities, agreements, or rights to or with any third party, nor does this Agreement contemplate or intend that any benefits hereunder accrue to any third party.
